**PUBLIC SERVICE:**

**1984**                    **Moved to Brick Township and Joined Republican Club**

**1987**                    **Brick Action for New Government - Committee Chairman**

Committee gathered petition signatures and ran campaign to change Brick Township government from non-partisan to partisan elections. After winning the election, elections were setup for Republicans vs. Democrats in 1988

**1988 & 1989**           **President of Brick Republican Club**

Winning team was setup to take the Mayors seat and 7 Council members, in the 1988 election

**1992-1994**           **Commissioner, Brick Township Municipal Utilities Authority**

As a Commissioner, I served as Chair of the Construction Committee. Started the purchase of the last reservoir in New Jersey to be built.

**1993-1997**           **Councilman, Brick Township NJ**

Elected to three terms of the governing body. As a Councilman, I have served in such capacities as President, Vice-President, Chair of Business & Finance Committee, Chair of the Planning Board, Chair of the Public Safety Committee, Affordable Housing Liaison and Brick Township Municipal Utilities Authority Liaison.

**2004-2008**           **Councilman, Brick Township NJ**

**2008-2012**           **Councilman, Brick Township NJ**

**2002 to Present**      **BMAC Committee member since 2000 to Present**

Drug, Alcohol and Anti-Smoking Awareness Committee, I have been a working member since its inception. The committee has moved through three different administrations Democrat and well as Republicans.

**2002 to Present**      **Brick TNR non-Profit 501c Organization - President**

This nonprofit provides organization as well as funding for the feral cat caregivers throughout Brick Township. The Township setup an ordinance allowing feral cat colonies, under certain guidelines. Different administrations have changed the amount of involvement, helping the feral cat community; but the 501c has continued the funding over all these years.

**2012 to Present**      **Brick Hospital Association member**

**2012 to 2019**           **ESIP Coordinator New Jersey Board of Public Utilities, Trenton, NJ**

In charge of Energy Saving Improvement Program for all municipalities, school districts and authorities for State of New Jersey. Developed an outreach program for education of these entities; granted final of approval of RFP's and Energy Savings Plans. Review of ESP's included technical equipment specification and financial documentation for approval. I also worked on special projects for BPU and Governor's Office such as the Hazard Mitigation Grant Program after Sandy
